Dear CRCF Board of Directors:

How do we begin to say thank you for this most generous grant, as thank you just doesn't seem sufficient? Our organization appreciates your obvious commitment and compassion to end hunger in the communities we serve. We thank you immensely on behalf of our Board of Directors, Staff, and the many Volunteers for your generous donation, from the 4th bi-annual Community Ball, in the amount of **\$3,000.00 (Check #389)** received December 28, 2009. Your donation will be utilized for food acquisition and distribution during 2009-2010.

The demographics of those in need continue to change dictating our strategies to combat hunger in the communities we serve. Approximately 40% of those served through our food distribution efforts in our five county service area are children. Malnutrition and hunger have many detrimental effects on a child's development. Children that do not have access to nutritious food often experience obstacles in their natural development leading to impaired learning, behavior and social adaptability. Many families just cannot afford the extra \$45 a week – or more than \$2,300 extra each year to purchase healthy foods for their families.

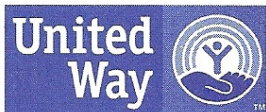

It is the compassion and support given by donors such as you that provide the thousands of working families and others a meal and another day of hope. You are one of our most valued donors; therefore, I would like to invite your Board of Directors to a personal tour of our 40,000 square foot warehouse located at 3760 Fowler Street, Fort Myers, FL 33901. If you are interested, simply call me directly at 239-334-7007 ext. 25.

Sincerely,

Al Brislain
