The Cape Royal CERT Team was founded in 2011 to assist the residents of Cape Royal and the Matlacha-Pine Island Fire Department before and after disasters. Our eight member team completed eight weeks of training including first aid, disaster assistance, and search and rescue. They train regularly and are all CPR/AED Certified. For more information about the CERT Team, to make a donation, or to become a member of the team please contact Marsha Smith at masmith841@live.com
