

HINTS FOR USING THE COMMUNITY CALENDAR

Residents/Guests of Cape Royal: Are you wondering what there is to do in Cape Royal, when an event is happening, or how to get involved? In addition to viewing the website's general content, we encourage you look at our Cape Royal Community Calendar. This shows the what/when/where of all the community's public activities. It also provides a link to the Golfing calendar, which displays all golfing events.

Calendar Features:

- The calendar is accessible from any page of the website via the menu along the top of the page.
- The calendar page can be viewed by the Week or Month, using the tabs in the top right corner. Clicking the "Agenda" tab will display events in a list, rather than calendar format.
- Clicking on an entry will show additional information about the event, when available.
- Private events which either limit or close the Cape Royal golf course or the Caloosa Club facilities to the public will be noted as information becomes available.
- Our communications chair, Mick Katch, meets monthly with the golf staff and certain committee heads to discuss the month's schedule. If there is an upcoming special event you would like to include in the calendar, please contact her.
